Our advice: start by changing 1 thing and build up! Simply get into the habit of looking for non plastic alternatives, it will soon become automatic. **Want to do even more?** Join Transcoco! Investigate local and national groups that are taking action, e.g. join the Transcoco litter pick on the 4th Saturday of every month at 10am at the Springfield Campus or organise one yourselves

Local Business Directory:

The following directory is intended as a local reference guide to shops/businesses/cafes that can help with reducing plastic waste. It is a currently produced by Transcoco based on their own experiences. Please get in touch if:

- You are mentioned below and offer more than we have listed
- You are keen to reduce plastic waste, or are already doing so, and would like to be in our directory!

E-mail - transitioncorsham@gmail.com or look up Transcoco on Facebook

Always remember -

- Reduce - remember your reusable shopping bags, opt for refills, buy in bulk, refuse plastics that cause damage, e.g. straws, takeaway cups, utensils, balloons
- Reuse – what you already have
- Recycle – when it cannot be avoided dispose of your current plastic waste responsibly
- Ask! You will find that most places are happy to help if you explain what that you are trying to reduce your plastic waste.

Council Kerbside Recycling:

- You are now able to put lots more plastic items in your blue bin, including margarine tubs, juice cartons, plastic pots and much more. For more info see - <http://www.wiltshire.gov.uk/rubbish-and-recycling-new-services>

Co-op Supermarket:

- Have a recycling point for plastic bags.
- Many of Co-op's packaging such as cereal bags are also recyclable, check the packaging before binning
- Are happy to put loose fruit and vegetables through the tills in no bag

Toby Haynes Family Butchers:

- Sell cloth bags
- Accept reusable containers
- Provide meat wrapped in biodegradable and compostable paper
- Provide paper bags to carry your shopping in

May's Greengrocers:

- Provide paper bags for your loose fruit and vegetables
- May be able to offer a spare cardboard tray for your shopping or plants
- Are happy to put loose fruit and vegetables through the tills in no bag

Green Ginger:

- Offer lots of refillable products, including washing up liquid, shampoo, conditioner and hand wash
- Sell bulk products, such as oats, nuts, seeds, as well as herbs and spices. Paper bags are available.
- Sell many products loose, e.g. soap
- Sell products in cardboard packaging, such as laundry powder
- Sell machine washable cleaning cloths and sponges.

Deli:

- Accept reusable containers

The Pound:

- Offer discounts to customers who bring their own reusable hot drink cups
- Will refill water bottles
- Only use glasses/china for beverages

Further afield:

- **Green Bumble** sell re-wraps, fabric squares coated in beeswax, jojoba oil and pine resin which can be used to replace single use plastic for wrapping sandwiches, bread, fruit/veg or for covering a bowl, etc. For prices and to order, email GreenBumbleUK@gmail.com
- **Planks Dairies** supply milk to your doorstep in glass bottles
- Larger supermarkets with deli/meat counters will let you use your own containers, e.g. Sainsbury's in Chippenham

Further afield (continued):

Lowden's Garden Centre and Farm Shop

- Gift shop sells good range of reusable bottles and cups as well as rugs made from recycled fibres
- Plastic bags are avoided in all departments, paper bags used instead. Butchery uses sealable freezer ready paper bags
- Deli uses pots made of 100% plant based compostable material
- Local produce sold including craft beers, cider, English wine
